

Big Lunch – Great Fun!

A sunny Sunday in June saw the return of the Manor Park and Hempstead Fields Residents' Association's 'Big Lunch' – the annual open picnic arranged by this community focussed association and held on the Rugby Club's field.

With all the activities provided free of charge, youngsters had a great time laughing at Punch and Judy, enjoying the bouncy castle, having their faces painted and even splatting the rat!

The sportier children took penalties trying to 'beat the goalie' and attempted conversion kicks over the rugby posts. Dog lovers entered the Fun Dog Show.

The results of an art competition organised with Manor Primary were also announced at the event.

Nearly £200 was raised for Demelza Hospice Care for Children
